

Address your retriever training issues  
with an individual approach!!!!!!

Our 2<sup>nd</sup> Retriever Training Seminar With: Kristen  
Hoffman

June 14, 2009

### Albright Scout Reservation

Kristen is a successful and effective professional trainer whose specialty is assessing and correcting problems you are experiencing with your retriever. Kristen will conduct another comprehensive training seminar covering your concerns or issues with your retriever. The material will be tailored to your specific needs. This will cover everything from basics to advanced training and the issues associated with where you and your retriever are in training.

We plan to have you run marks and/or blinds with your retriever this year with Kristen observing and assisting with your specific questions and concerns.

Lunch and drinks will be included in the registration fee. We will have Kristen's bird boys and use ducks or bumpers as you prefer with your retriever.

Handler and retriever team: \$30.00

Handler (observer) only: \$15.00

Each additional retriever will be an additional \$10.00 for those who choose to bring more than one retriever to handle during the seminar.

- \* Start at 9:00am with Q&A session at front pavilion until ~10:00am.
- \* Move to back fields of Albright for land and/or water set ups as needed by group. The front fields and pond are also available to use if needed after lunch.
- \* Lunch from 12:30 to 1:00pm. Chef Rob Cherry will prepare a tasty fare as usual.
- \* After lunch continue to run dogs and address issues as needed.
- \* There is a registration form on the following page and on our website (<http://tidewaterretrieverclub.org/>) to complete and return. You can pay for the registration the day of the seminar.
- \* Please RSVP with the registration form before Wednesday June 10 so we can prepare enough food for lunch and prepare a list of issues/concerns to be addressed by Kristen.
